Forecast for Wednesday 21 Jul 2021

Weather: Low cloud across much of Caithness, Sutherland and Skye through the early hours will gradually burn back to the coasts in the morning, giving a hot, dry and sunny day. Low cloud will spread back into Caithness and the far northwest coast late evening and start of the night.

Chance of cloud free mountain/hill tops above 800m: 80%.

Visibility: Generally good or very good, a slight haze across Caithness hills, but poor in any low cloud. Cloud bases around 400-500m early morning and late evening.
